Formerly Known As Policy Number:
9.2.B

In the case of those holding the titles described in this chapter, appointments are often made for fixed terms on a temporary basis with no expectation of renewal. Others are made with the possibility of renewal. In cases where the appointment is made with the explicit statement of the possibility of renewal, the notice provisions applicable to Senior Lecturers and Lecturers as described in Chapter 6.3 [1] of this handbook apply.
