4.3.6 The Decision of the President

Formerly Known As Policy Number: 4.3.F

(1) If the President does not accept the decision of the Advisory Board, he or she will resubmit the case to the Board for reconsideration with a statement of questions or objections. The Board will then reconsider the case in the light of such questions or objections, hold (if necessary) further hearings and receive new evidence, and either render a new decision or state the reasons for its decision to reaffirm its original decision. After study of the Board's reconsidered decision, the President may make a final decision different from that of the Board only if the President determines: that the faculty member or the University was denied a fair hearing; or that the Board's decision (as to whether there has been professional misconduct and/or as to the sanction) was not one which a decision-making body in the position of the Board might reasonably have made.

(2) If the President makes a final decision different from that of the Advisory Board, the reasons for that different decision shall be given to the Board and the faculty member.

(3) If the President's decision requires dismissal, such decision is not effective until it has been approved by the Board of Trustees.
